Year 2010

This year, 2010 is Geng Yin (庚寅) Tiger Year. The Tiger year starts on 4th February 2010 at 04:07.

Starting from April this year, the world economy will show evident sign of recovery. The Developed countries will continue rollout their economy recovery plan in stringent manner. Those cities that are closer to the sea will recover slightly faster than the rest. The following sectors will generate a lot of activities that will simulate the economy: tourism, service industries, financial sector, food & beverages sector and consumable water sector.

This year there will be more natural disaster like earthquake and flood happening. There is sickness star from the north blowing and prosper the east and therefore, there will be outbreak of sickness that are related to liver. In addition, the Northwest side of the world will have more uncertainty.

Overall, the economy of the world is not very optimistic and requires action from various leaders. Although there is a lot of opportunity, the economy will fluctuate vigorously. As such, investors and high risk taker will have to be extra careful and to restrain from being greedy in their execution. With careful planning and analysis, investors will able to obtain significant wealth.

Individual forecast

Qi Men Dun Jia forecast is different from other animal year forecast. This is because Qi Men Dun Jia uses the “Heavenly Stems” or Heaven Qi for prediction. Therefore, please refer to the following table using your year of birth to see which group you are in and read the prediction according to group.

Group 1

Health:

Those in this group need to take care of your intestine or stomach especially in the month of September or October as the problem might become serious. As such, you need to take extra care in food intake. Have your meal at fixed timing. In addition, in particular in the month of November, you need to be extra careful of your lung. You need to exercise more to increase your stamina. For female, you need to pay attention to your breast area during the month of November. There might be potential growth.

Career:

For those who are working for people, you might be in unstable situation in your work. There is high possibility that you wanted to resign. You need to think twice before deciding as this is not a sensible decision. You might regret later if you resign. This year, don't act on impulse and always evaluate your situation before you make your move.

For those who run their own business, you need to be extra careful when dealing with your customers. This year, your customer will be demanding. Therefore, you need to be extra careful so as not to offend your customers. As such, there will be tremendous stress for you this year. Before taking any action, you need to strategies.

Wealth:

This year, wealth luck is not favourable. Income is average. Windfall luck is also not very favourable. You will have the desire to earn more money and as such, you need to be extra careful not to be conned. For you this year, your money management will be good. You will not suffer from unexpected financial lost.

Relationship:

For those who are unattached, you will find it difficult to find someone suitable. This year, relationship luck will restrain you. If you are looking for partner, it will be very difficult for you to find anyone suitable. This is because you will find the other half make you intolerable.

For those who are already attached, you need to show more concern and love to your partner. For any matter, don't act emotionally. Once you are into argument, it might cause separation.

Those who are married need to pay more attention to your relationship. You need to be tolerance with your spouse or else it will cause crack in your relationship. Therefore, you must take good care of your relationship with your spouse. Spend more time with your family and cut down on night activities. Stay away from opposite sex so as to avoid extra-marital relationship entanglement.

Group 2

Health:

Those in this group need to take care of your liver. Pay more attention to your food hygiene so as to avoid sickness being contacted via the mouth. It is advisable to go for check-up during the month of April, May or November. For female, it is advisable to go for breast check-up in these 3 months.

Career:

Regardless of whether you work for people or run your own business, you might have good break through this year. Career might be smooth, especially when working as a team or in partnership with someone. However, this year, you will not receive any favour from Heavenly Timing. As such, it is advisable to be humble when celebrating any success. This is to avoid any unfavourable outcome from others who might be jealous of you.

Wealth:

This year, your normal income and windfall luck is above average. You might have unexpected windfall this year. However, this year is not suitable to invest in stocks or shares especially in the month of August or September. You need to pay attention of potential losing wealth in these 2 months.

Relationship:

This year is peach blossom year for this group of people. You will have a fruitful relationship. Those who are unattached will be able to find someone that you like. Those that already attached will probably get married this year.

Those who are married, you need to cut down on night activities or else you will get into extra-marital entanglement, especially in the month of December.

Group 3

Health:

In general, the health of this group will not be very good. Those in this group need to take care of your kidney. There is high probably that you might contact kidney stone or balder inflammation problem. For male, you might have prostate inflammation. For female, you might have growth in the womb or “woman problem”. It is advisable to go for bodily checkup this year. It is better to find out the problem early to get it resolved. In addition, there might be possibility of having stomach problem.

Career:

This year you will be vexed because of work. Those who are working for people will easily make mistake. Your boss might not favor all the efforts that being put in by you. Therefore, you need to be prepared for such situation. Don't acts rashly or according to your emotion and you need to exercise restraint. For this year, just do what you were being told.

For those who run their own business, there will be a lot of hindrance in your business. You business will have problem that causes a lot of worries for you. Therefore, don't be impulse in your action. When you analyze the situation coolly, all matters can be resolved.

Wealth:

This year your wealth is flat. This year you might disperse the Wealth Star and as such might have financial losses. You need to be extra careful in the month of July and take extra precaution when handling money matters. This year is not suitable to invest in any kind of high risk business.

Relationship:

For those who is born in the Xin Year (year ended with 1 – e.g. 1931, 1941 etc), you might have strong peach blossom luck. Those that are unattached will be able to find someone that you like. Those that already attached will probably get married this year.

Those who are married, you need to take good care of your relationship with your spouse. Spend more time with your family and cut down on night activities or else you will get into extra-marital entanglement.

Those who is born in the Ding Year (year ended with 7 – e.g. 1937, 1947 etc), you might have bad peach blossom luck. Those who are unattached, you will find it difficult to find someone suitable. This is because this year peach blossom luck will restrain you. Therefore, those already attached, you need to show more concern and love to your partner. For any matter, don't act emotionally. Your partner will make things difficult for you.

Those who are married need to pay more attention to your relationship. You need to be more tolerance against your spouse, or else it will cause crack in your relationship. Therefore, you must take good care of your relationship with your spouse. Your spouse will crank up on small matters. Please note that this is not your spouse fault. It is just that the relationship star is testing both of you. Therefore, you need to exercise understanding.

Group 4

Health:

This year you might easily have head injury or your temper might flare easily that will cause to have headache or fever. Especially for those who are in older age, you might have blood vessel blockage. This problem might appear in the month of July or January 2011. Worst case, it might cause stroke. Therefore, those who have elder at home that is born in this group need to take special care of them. Do more exercise, drink more water and eat more fruits.

Career:

This year your job will be stressful. The relationship with your superior might be strained. Relationship with colleagues might be bad where everybody is suspicious of each other. You might be hurt by petty people and the petty people that hurt you might be someone that is close to you. Therefore, this year you need to think twice at everything you do. Don't easily trust anybody so as to avoid saying the wrong thing. Be vigilant and low-key.

For those who run their own business, although this year the stress is huge, with hard work and dedication, you should be able to have good returns.

Wealth:

This year, your wealth luck is not bad. Those who are working, your income might increase significantly. You should be able to accumulate a significant amount of money. However, don't be too proud of yourself. This is because thief will pay more attention to you. As such, you need to be vigilance against theft, especially in the month of July.

For those who run their own business, you might have big windfall. However, don't be too proud of yourself. You need to pay attention to people in office that might steal your money. You need to pay extra attention in the month of July.

Relationship:

Relationship luck is a bit bad this year. Those who are unmarried should not put too much pressure in the relationship and should let the nature take its course. For those who is unattached, this year peach blossom will not take care of you and therefore this year is not suitable to find partner.

Those who are already attached, you might cause your partner in embarrassing situation. You might dissatisfy with your partner. If you really want to be together with your partner, then this year you need to control your temper. If not, this year might be the year both of you separated.

For married female, this year you might easily encounter 3rd party. Therefore, female that are in this group should refrained from getting involved in extra-marital affair to avoid marriage breakdown.

Group 5

Health:

Your health is stable this year. You won't have any major illnesses. The only thing that you need to worry about is discomfort at your throat. This might be due to too much talking or insufficient water intake. For serious cases, it might cause inflammation. Therefore, this year you need to drink more water and you need to take care when talking for a long period. For those that are already married and have become the head of the family need to pay extra attention.

Career:

For those who are working for people, this year might have chances of being in boss favor. The job might become smoother and the relationship with bosses might become closer. However, this might cause jealousy among others and attract petty people and gossip. Therefore, those working for people need to pay attention to your colleague that might gossip about you due to your good relationship with bosses.

For those who run their own business might encounter slight difficulties. You might get entangled in a legal issue during the month of November or December. Therefore, when dealing with customers, be careful not to delay any payment as this might cause legal issues.

Wealth:

This year your wealth luck is not that good. Mainly, money earned from the left hand goes out via the right hand. This year you might spend a lot of money. It is something "abnormal" way of spending money. Also, money spent might be on legal matters. Therefore, this year need to listen to your family advice. Put more effort in money management. This year is not suitable to invest in stocks.

Relationship:

For those who are unmarried, it will be very difficult to get married. The marriage luck for this year is very bad. Those currently in courtship might break off due to disputes. Therefore, those in courtship should have mutual understanding of each other to avoid the possibilities of break off.

Those who are married have to be careful of extra-marital affairs. Especially married females have to be extra careful this year. There might be a possibility of marriage breakdown due to extra-marital affairs. Therefore, those who are married are advised to stay at home more this year and try to avoid those night activities.

Group 6

Health:

Those in this group might get injury, accident, neck problem or shoulder problem. This year there is sickness star coming from the north direction. You might have urinal track related sickness as well. Female might contacted "woman sickness". Male might contacted prostate problem. Therefore, this year you need to be extra careful. Couples need to pay attention to personal hygiene from contacting urinal track related sickness. This year, inauspicious god also come visiting and therefore, those who are driving need to take extra care during the month of June or July. There 2 months have high possibilities of accident. For those who don't drive, have to be extra careful when crossing the road.

Career:

For those who work for people, this year you might make a lot of mistake and being reprimand by your boss. This might cause you to be vexed and disorder. For serious cases might cause you to be fired by boss. Therefore, those who work for people, you need to be extra careful when doing your job. In particular, when talking to colleague try not to talk bad about your boss.

For those who run their own business, this year you might have a lot of obstacle. Especially in the month of November or December, you might have legal entanglement. Therefore, those who run their own business need to take care of payment so as to avoid getting into legal entanglement.

Wealth:

This year wealth is not bad. There might be slight wealth losing, but in overall is able to save some money. This is especially true for gambling wealth. You can buy lotteries in small bet but not advisable to invest in stocks.

Relationship:

Those who are unattached might find it difficult to find someone suitable. This year you better don't waste time looking for partner. This is because this year the peach blossom star is not visiting.

Those that are attached are advice not to get married. This is because this year the peach blossom star restrains your partner. Therefore, if you get married this year you might divorce later.

For those who are married, this year might, for no apparent reason, dislike your spouse. This is because this year the relationship star restrains your partner and this might cause you to dislike your spouse (however, if both born on the same year then this problem might not exist). It is also advisable to stay at home more to build up the relationship. Avoid those night activities that involve the opposite sex to reduce the possibility of extra-marital affair.

Group 7

Health:

Those in this group need to pay more attention to your stomach. For worst case, there might be stomach bleeding. Female that is married is not suitable to have baby this year as there is high chances of miscarriage. Those elderly female might have blood related calamity, especially in the month of August or September. Therefore, it is advisable to go for checkup early so as to detect the problem early. Those who have elderly female family members that are in this group have to take extra precaution.

Career:

Those who are working for people might feel tired of current job and wanted to change job. Therefore, there is possibility of doing the wrong things at job. There is situation where you do a lot of things for the boss and the boss only treats you in so-so manner. As such, those who are working for people should not act according to emotion. In particular, you shouldn't tender your resignation which you will regret later.

Those who run their own business, it will not be smooth. Might lose some clients or some of your subordinates resign. Therefore, this year, you need to spend some time and money to build relationship with your clients and subordinates.

Wealth:

This year wealth luck is a bit bad, only suitable to guard and not suitable to advance. This year is not suitable to invest. Windfall luck is also not good. It is also not suitable to gamble and invest in stock. In addition, there is possibility of spending money due to health issue.

Relationship:

Those that are attached are not suitable to get married. If get married this year you might divorce later. This is because this year peach blossom star will prosper your partner and on the other hand restrain you. Therefore, those who are attached are not suitable to get married this year.

Those who are married have high chances of getting into extra-marital affair. It might cause marriage breakdown or divorce. Therefore, those who are married are advised to avoid night activities and spend more time with family.

Group 8

Health:

Those in this group might contact oral cavities (e.g. tooth ache or ulcer), lung related sickness or breathing problem. For serious case, there might be pneumonia. Therefore, this year need to do more exercise to avoid falling sick.

Career:

For those who are working for people, this year will be tough. There will be a lot of work and you might not receive any returns. Although tough work, with hard work and dedication you might build good relationship with your boss. Therefore, those who are working for people need to work extra hard and ultimately your boss will notice.

For those who run their own business, this year your business will expand adversely. You will have good returns but need to pay attention to petty people around you. Especially in the month of October or November, there might be dispute caused by petty people.

Wealth:

This year your wealth is not good. You might not be able to hold on to your wealth. There might be situation where wealth earned from left hand, out it goes on right hand. Most likely you lose wealth due to petty people or sickness. In particular in the month of October or November, you need to pay more attention.

Relationship:

For those who are unmarried or unattached are not suitable to get attached or married. Those that don't have partner can stop wasting time looking for one. Spend more time at work. This is because this year looking for partner will be a waste of time.

Those who are attached, this year you need to spend more time communicating with each other. If not, your partner will run away with someone else.

For those who are married, you might have married problem. Your other half might not be happy with you. Also, because of this, you might want to divorce. Therefore, couples should spend more time with each other communication effectively to avoid marriage breakdown.
